## ADMINISTRATION

MR. LINWOOD CLARKE

Superintendent

You are embarking on a career that will be unparalleled in history, if you but reflect on the vast changes in our economic and social life in the last ten years it almost seems incredible the advances and demands that society has made in this short time. The emphasis that has been placed on our young ladies and gentlemen; student involvement, civic responsibilities, economic structures, voting rights, shifts in the electronic age, phase out of war mongering, the seeking of self expression. All these freedoms and demands also reflect on equal responsibilities. Those of you who have applied yourself during your brief educational adventure while at Amesbury High will be prepared to meet, head on, these responsibilities. Those who have not matured will find it a little more difficult to adjust, but you will in time. Whatever you do - do it with enthusiasm, dedication and trust.

# On The Road To Tomorrow

On the road to tomorrow  
Find your love and leave your sorrow  
Choose your path to work and borrow  
Do what you like just do what you can.

High school has done all that it can  
Now the rest is left up to you  
You owe it to everyone to see yourself through  
For every child, woman and man

Running up the road  
Walking down the road  
Listening for the road  
Talking to the road  
Learning from the road  
Teaching to the road  
Looking at the road  
Reaching for the road.

Use your faith as a guiding light  
Strengthen your hope to its highest height  
Make your view of the road bright  
It will be a joy to live and  
On the road to tomorrow  
You will never witness sorrow  
You might never have to borrow  
For on the road, you are in command

Music and lyrics by  
Gary Kolosey

Theme by

## *Dedication*

MRS. NORMA KLIEN  
For her willingness and devotion.

## *Appreciation*

MR. RAYMOND ST. AMAND  
For his help and understanding

Class Room  
Our spirit is still with you,  
Our footsteps, yet on the floors,  
Our laughter remains in these halls,  
As we slowly walk through these doors.

We leave to our successors  
More than our assembly seats;  
We both leave, and take with us  
Dreams and challenges to meet.

Looking to the years to come,  
Dawn of freedom and hopes;  
There's so much yet to see and do --  
Broader horizons and wider scopes!

We, the class of seventy-two  
Will bid our last good - bye --  
And, yes, we are better because of you --  
Farewell, dear Amesbury High!

If you think you are beaten, you are  
If you think you dare not, you don't  
If you'd like to win, but you think you can't  
It's almost a cinch you won't  
If you think you'll lose, you've lost  
For out of the World you find  
Success begins with a fellows will  
It's all in the state of Mind...

ADVERTISING

'If one of you is wise and understanding, let him show this in practice through a humility filled with good sense... Where there are jealousy and strife, there also are inconstancy and all kinds of vile behavior. Wisdom from above, by contrast, is first of all innocent. It is also peaceable, lenient, docile, rich in sympathy and the kindly deeds, that are its fruits, impartial and sincere. The harvest of justice is sown in peace for those who cultivate peace."
